

# Walk the Dog

*Pet Sitting and Daily Dog Walking,  
as well as Poop Scooping, Pet Taxi,  
and More!*

Instead of paying to send multiple pets to a day care or kennel facility, you can pay one reasonable fee to have a professional provide the needed care.

You don't have to worry about the health and happiness of your pets or imposing on busy family, friends, and neighbors while you are on vacation or hard at work away from home.

Walk the Dog will provide loving pet care services in your home for a reasonable per visit rate.

- ▶ *No extra charge for multiple pets*
- ▶ *Pets get to stay together in your clean, quiet, and safe home*
- ▶ *No separate fees for vacation services*  
*(Light Rotation, Mail Retrieval, Plant Watering, Security Check)*

*Your pets will thank you for allowing them to take their daily  
"beauty rest" in their own comfy beds, while getting the  
individual love and attention that they need!*
